

# HS-AA142

M12 adaptor x 1.5 conduit fitting with locknut

## Product Description

We manufacture a range of accessories for use with our comprehensive series of industrial accelerometers and cable assemblies to achieve a secure surface fit.

The HS-AA142 features a stainless steel M12 adaptor with x1.5 conduit fitting with locknut, this can be used on armoured conduit cable assemblies to suit junction/connection enclosures. The armoured conduit can be supplied separately as HS-AA148.
