Dear Partners and Customers,

As we approach the end of the year, we would like to take a moment to thank you for being part of another successful chapter in Hansford Sensors' journey. 2025 has been a year of growth, innovation, and collaboration, and we are proud of the milestones we have achieved together. From expanding our global presence to introducing enhancements across our vibration monitoring solutions, your trust and partnership have been essential to our success.

December is a time for reflection, and as we look back, we are grateful for the strong relationships we have built across industries and regions. Looking ahead to 2026 and beyond, we remain committed to delivering the highest quality sensors, exceptional service, and continued technological development that supports your reliability and condition-monitoring goals.

With the festive season upon us, we would like to extend our warmest wishes to you and your families. May your Christmas be peaceful and joyful, and may the New Year bring prosperity, good health, and continued success.

Hansford Sensors Team

2025 Highlights

Tom Ingram wins British Touring Car Championship title 🏆

We were proud to see Tom Ingram claim the British Touring Car Championship title this year. Congratulations on a fantastic achievement – we're delighted to be associated with such high performance and determination.

New Product Announcements

2025 saw the launch of several new solutions designed to improve reliability, efficiency, and accuracy across your operations:

- 4 Pin Mini Connector – Designed for seamless integration with a wide range of vibration sensors and cables using the 4 Pin Mini interface.
- HS-558 – Precision in Every Channel – Exceptional accuracy where it matters most.
- HS-AM058 – Magnetic Base – Fast and secure sensor mounting in the field.
- HS-150H – Built for High Temperatures – Designed for extreme industrial environments.
- HS-420d Accelerometer – 4–20 mA velocity output with Ex d Terminal Head, ideal for hazardous area installations.

Conferences & Trade Shows

In 2025, we attended a wide range of industry conferences and exhibitions across different parts of the world. From Europe to international markets, these events gave us the opportunity to meet customers face-to-face, exchange knowledge with industry professionals, and showcase our latest innovations.

Thank you to everyone who took the time to visit our stand, speak with our team, and share your challenges and ideas with us – your input continues to shape what we do.

Supporting Our Community with Pride

Our new office reflects not just our commitment to innovation but also our strategic move for team expansion. This step underscores our dedication to attracting top talent and building a dynamic team, ensuring sustained success for Hansford Sensors.

And looking even further ahead...

2026 will be a very special year for us as we celebrate a major milestone:

Celebrating 20 Years

We are already planning exciting activities and moments to mark two decades of innovation, reliability, and partnership with our customers around the world. Stay tuned – it's going to be a year to remember! We look forward to working with you throughout the year.

EXCELLENCE IN VIBRATION MONITORING SINCE 2006
